PRODUCTS TO BE SOLD:

We will be encouraging market customers to respectfully ask about their food and food sources. Please be prepared to openly and honestly share this information. The Dearborn Farmers & Artisans Market is open to vendors with an emphasis on local products and produce. "Local" means produced in Michigan (preferably within 200 miles of Wayne County). All produce, for purposes of customer clarity and food assistance program regulations must be labeled grown in Michigan or where they were grown. We ask that a minimum of 80% of your produce be grown by you if purchased in the beginning of the season. Other food products need to be locally produced, but ingredients do not need to be locally sourced (though we may prefer them if they are). Crafts also need to be handmade, not store bought. NOTE: New products can be added during the market season, but must be approved.
